

Request to Address the Board

Persons wishing to be on the agenda to provide the Board with information, or to describe opportunities related to educational programs, should make such a request in writing to the district administrator or president. The request shall include the person's name, group affiliation (if representing a group), topic and a brief description of the material to be presented.

A written response will be given within ten days.

The president will determine if the request will be included on the agenda, referred to a committee, or referred to administrative staff.
