

### **Law Enforcement Agencies' Involvement in School**

The Johnson Creek School District shall cooperate with authorized law enforcement agencies in every way possible within the limits of the rights of individuals as expressed in the laws of the State of Wisconsin and the state and federal constitutions.

Every effort will be made to contact the parents/guardians before the police question a student during the school day.

Whenever police are questioning students on school property, with the exception of abuse, a school administrator or designee will be present unless otherwise requested by the parent/guardian.
