

Relations with the Wisconsin Interscholastic Athletic Association

The Johnson Creek School District supports the Wisconsin Interscholastic Athletic Association as an organization that promotes self-discipline and provides constructive outlets for the students of the district. The Board of Education shall therefore pursue an active voice in WIAA deliberations through its official representative to WIAA membership meetings.

The Board shall appoint its WIAA representative annually. Representatives may report periodically to the Board on WIAA business and developments.

Before every membership meeting of the WIAA, the district's representative shall report to the Board on WIAA Board of Control nominees and other issues to be voted upon at the WIAA membership meetings. The Board and its WIAA representative shall decide the district's position on issues pending before the WIAA meeting, and representatives shall cast their vote accordingly. Representatives are authorized to vote only as decided upon with the Board of Education and in no other manner.
