

### **Staff Physical Examinations**

All School District of Johnson Creek employees, upon initial employment, and those who have been separated from public school employment for more than one school year will file a certificate with the district office before assuming his/her duties. This certificate shall be obtained from a licensed physician in the State of Wisconsin verifying the employee does not have tuberculosis in the communicable form or any diseases, physical or mental, which would impair the ability of said person to perform effectively his/her duties.

The Board of Education shall require a physical examination that will include a TB test and/or chest x-ray of all school employees as a condition for entering employment. The physical examination shall be conducted as outlined in Wisconsin statutes.
