

Free Admissions

(Guest Passes for Senior Citizens)

Senior citizens of the district, those persons 62 years of age or older, may be given a guest pass, which shall permit them to attend all activities of the school, including athletic events, free of charge. They are intended for the sole use and enjoyment of the person to whom a pass is issued and are therefore non-transferable.

These guest passes shall represent a small token of appreciation from the district for past and present contributions these persons have made.
